Witness at the Cross – Lenten Study

The second session of our Lenten study will be held on Wednesday, 16th March at 7pm.

Because each session has a different focus, it is possible to join for all or some of the sessions. The power point from last weeks session is available. If you would like a copy contact Nicola.

Each session includes a short video followed by discussion. If you would like to join the next session, please tell Nicola for the Zoom link.

Covid 19

As we have seen, Omicron is now well established in our community. If you or a member of your family test positive it is important that you isolate, but please also let Nicola know if this is the case.

In order to keep yourself as safe as possible, please remember to wear a mask, scan in wherever you go so you have a record.

Remember it is important that you look after your physical and mental wellbeing and to look out for each other.

Request from August Café

The owners of August Café has asked that church members please use the main entrance when coming into August, not the door in the church foyer. They are asking this as they have made adjustments to their entrance and exit plan looking at minimising and monitoring contacts coming in and out of the kitchen.

Office Hours changed

The office is open for visitors Thursdays: Noon to 3pm. We will be monitoring emails and the phones during the advertised office hours.

Bulletin Contribution

If you have anything for the bulletin, please have it in to the office by 12pm on Thursdays.
