DCM

Winter is here, and this is often a time we can become anxious about those we encounter in Wellington doing it tough. You might have noticed a structure set up in the bush that might belong to someone sleeping rough. You might have seen a car parked on your street for days at a time with the windows covered. Or you might be concerned about someone you have met street begging in the cold conditions. Not sure what to do? Call Wellington City Council on 04 499 4444 - and they will notify us. DCM's Outreach workers will go out to connect with those you are concerned about. Because TOGETHER we can end homelessness in Wellington. We all deserve a roof over our heads this winter.
